

# Las Colinas del Ebro 2010

## Garnacha Blanca

**Winery:** Bodegas Abanico

**Region:** Terra Alta D.O.

**Grapes:** 100% Garnacha Blanca

**Winery:** Las Colinas del Ebro are a new line of wines inspired by the high altitude vines near the river Ebro, one of the great rivers of Europe and a profound influence on the landscape and history of northern Spain. Because of its strategic importance, the towns and hills of the Ebro staged the bloodiest battles of the Spanish civil war in the summer of 1938 and any visit to this region in southern Catalonia leaves one with an indelible sense of those tragic events. More cheerfully, this area is now a hot-spot for quality wine production and gastronomic creativity.

The team responsible for these new wines are managing director of Bodegas Abanico, Rafael de Haan and technical director of Celler Batea, Luis Martin. They believe that the D.O. Terra Alta has a bright future as a region for quality wines and that the 2006 vintage was the right moment to start this new project.

For both the white and red wines there was a search for vines aged over 100 years for the Garnacha and more than 30 years for the Syrah. Rigorous care of vineyards and small yields of flavourful grapes yields wines of the highest quality with a fruity, modern character which are still representative of their origin.

**Wine:** The wine is made from 100 year old Garnacha Blanca vines grown in Terra Alta. Fruit was hand harvested, de-stemmed and lightly crushed prior to pressing. The must was cold-settled and a portion of must that had been macerated with the skins for 12 hours was added prior to fermentation for additional complexity. Fermented in temperature controlled stainless steel tanks.

### Reviews:

“Fermented and raised in stainless steel, it displays an enticing nose of fragrant minerals, bee’s wax, melon, and white flowers. Medium-bodied, on the palate it has excellent grip, proportion, and length. Drink this tasty effort over the next 4 years.”

“Mineral-driven orchard fruit and citrus zest scents are complicated by chalky minerality. Palate-staining, nicely delineated orange and pear flavors are braced by tangy minerality. The finish repeats the chalky note, showing good energy and closing bite.”
