VIEW FROM THE CELLAR

“The 2023 Txakoli Malda from Bodegas Zudugarai just arrived a couple of weeks before this article went to print and will be in the market for much of the coming year. The bouquet here is vibrant and expressive, hopping from the glass in a mix of green apple, lime, menthol, a lovely base of wet stone minerality and a topnote of lemongrass. On the palate the wine is bright, fullish and quite a bit more youthfully spritzy than the 2022 version, with lovely complexity and grip, good mineral undertow and a long, well-balanced and refreshing finish. Good juice. 2024-2029.”
