

Arrocal Parcela Las Canteras 2023 (White Wine)

Located in Gumiel del Mercado, in the province of Burgos, our wines are made exclusively from our grapes from soils combined with limestone, sand, clay, and gravel at an altitude of 830m. We have 123 acres of vineyards, the most widespread red variety is “Tinta fina” or “Tempranillo”, with approximately 111 acres. Cabernet Sauvignon has 4 acres, Merlot has 2 acres and “Albillo” (white variety) has 4 acres.

In 2003, the construction of our winery was completed. A space equipped with the latest technology, but above all was designed to respect our treasure: our grapes. All processing work is done by gravity, minimizing the damage to the raw material. The main objective is to follow sustainable viticulture, a true reflection of quality wines.
