

Biutiful Cava Brut Rose N/V (Sparkling Wine)

The Biutiful Cavas are produced at a winery created in 2007 utilizing the latest technology for the production of Cava. The vineyards are based in Requena; a region with a grape growing history dating back to the 7th century BCE. This Cava is produced from some of their best grapes sourced from the Western portion of Requena from vineyards with a Northern orientation. Base wines are selected for aromatic expression not neutrality. Production follows traditional methods with secondary fermentation in bottle followed by 15 months aging on the lees. Total residual sugar after disgorgement and dosage is 8g/l.

Appellation	Cava D.O.
Grapes	100% Garnacha, from 40 to 50-year-old-vines
Altitude / Soil	700-900 meters / calcareous clay and broken limestone chunks
Farming Methods	Traditional methods
Harvest	Hand harvested into small boxes
Production	Varieties are fermented separately in temperature controlled, stainless steel tanks
Aging	Aged for a minimum of 12 months and up to 18 months on the lees prior to disgorging
UPC / SCC / Pack	8437012498082 / 8437012498099 / 12

Reviews:

"Pale orange. A lively, sharply focused nose delivers fresh red berry, blood orange and floral qualities and a subtle mineral overtone. Juicy raspberry, cherry and candied rose flavors show a refreshingly bitter edge and deepen slowly on the back half. Finishes tangy and precise, with a repeating floral note lingering. This is lot #927705. 2021- 2024"

90 points *Vinous*; Josh Reynolds – March 2021

"The Biutiful Cava non-vintage Brut Rosé is made entirely from Garnacha, with these high altitude vineyards ranging from forty to fifty years of age. The wine ages for eighteen months on its fine lees prior to disgorgement and was finished with a dosage of eight grams per liter. It is a delicate, pale salmon color and delivers a lovely nose, with quite delicate fruit tones of wild strawberries and nectarine, coupled to lovely minerality, dried flowers and a hint of citrus zest. On the palate the wine is bright, full-bodied and has a lovely core, with pinpoint bubbles, good focus and grip, zesty acids and fine length and grip on the finish. This is not quite as delicate on the palate as the nose, as the Garnacha provides good, broad shoulders and plenty of personality. This is an excellent food Cava and the good mineral and acid foundation here absolutely devours the dosage. Fine juice. 2020-2030+."

89 points *View from the Cellar*; Issue #86 - March/April 2020

"If you like the fresh strawberry flavors of the Grenache grape, you'll love this sparkler. It shows beautiful (biutiful) Grenache aromas and flavors and a creamy, soft mousse. The wine has enough ripe fruit to make it a good pairing for the Thanksgiving meal."

89 points *International Wine Report*; January 2020

"An overtone of candied pink grapefruit peel adds a bright, zesty edge to this lively Cava, accenting notes of white peach, thyme and slivered almond. Drink now."

87 points *Wine Spectator*; January 2020

"This spicy, fruity pink bubbly is made with garnacha, the Spanish name for the grenache grape. It's racy and tasty and fun, ideal for turning any evening into a party, as well as for washing down pre-dinner nibbles."

**** Excellent** *The Washington Post*; *Great Value* - October 2018

"A strikingly pink, 100-percent Garnacha rosé, this is a fresh, young sparkling wine, closer in style to a fruity Prosecco than a yeasty Champagne. Its rich depth of vibrant aromas and flavors includes blood orange, tangerine, strawberries, and raspberries."

#8 VinePair; July 2019 (Rated as #8 of more than 40 different Cavas tasted)
