Mantel Verdejo 2025

D.O. Rueda

Grapes: 100% Verdejo

93 points

wine review online.com

"...From the 2025 vintage, my clear preference was for this Verdejo, which is quite vintage-specific in its opulent juiciness and inclusion of tropical fruit notes along with the "usual suspects" from the citrus fruit family. I found far less of the grassy, herbal character in this wine than I do in so many Verdejo wines from Rueda, making this a bit of an outlier in my experience, but an undeniably delicious and immediately appealing one."
