

# Mar De Viñas 2021 (White Wine)

Adegas Gran Vinum is a second generation, family-owned winery that has been producing Albariño since the 1980's, prior to the creation of the Denomination of Origin Rias Baixas. They focus exclusively on Albariño from the Val do Salnes sub-region, which offers vineyard sites with distinct maritime influence. The wines produced from both estate vineyards and vineyards they manage seek a repeatable saline undercurrent to the typical peach, apricot and floral aromas of Albariño.

## Reviews:

“Adegas Gran Vinum’s “Mar de Viñas” release from the 2021 vintage is terrific and an excellent value as well. This is sourced from the Val do Salnés sub-region of Rias Baixas, and displays fruit that is both generous and open, but also layered and showing emerging complexities even at this very tender age. A streak of saline minerality lends added interest to the classic Albariño fruit profile of stone fruit with citrus edging, and the finish is admirably pure and persistent. Wicked good wine — and deal.”
