“Vivid ruby-red. A wild, expansive bouquet offers ripe red fruits, cured meat, musky herbs and succulent flowers. Verging on feral, this intensely perfumed wine evokes bitter cherry, red currant, smoked meat, licorice and rose pastille on the palate. Turns sweeter with air and finishes long and spicy, with fine-grained tannins sneaking in late to add subtle grip. Choosing your drinking partners carefully is well-advised here – it might just be you, or me, if I’m somewhere nearby. 2021-2026.”
