“The 2010 Gran Reserva magnums... delivers a superb aromatic constellation of black cherries, black raspberries, cloves, cigar smoke, almost salty soil tones, cedary oak and a smoky topnote. On the palate the wine is deep, full-bodied and classy, with a fine core of fruit, good soil undertow and grip, still a bit of tannin and a long, tangy, complex and very nicely balanced finish... Though this wine is now eleven years of age, it... will continue to get even better with further bottle age... 2021-2060+.”
