

# Viña Otano Viura 2025 (White Wine)

Vina Otano comes from a family winery, whose beginnings go back to 1910 when “Grandfather Don Román Montaña” began to engage in the production and aging of wines, becoming the founder of a series of master craftsmen in wines. The current generation of grandchildren continue this work with great success. The winery is located in Fuenmayor - La Rioja, in the sub-zone of Rioja Alta, a town which is historically known for the high quality and capacity its wine to age well.

## Reviews:

“The 2025 Rioja Blanco from Viña Otano is made entirely from Viura and tips the scales at a svelte thirteen percent alcohol in this vintage. This bottling is fermented and raised entirely in stainless steel tanks. It offers up a bright and very pretty bouquet of peach, lemon, casaba melon, white soils, spring flowers and a touch of raw almond. On the palate the wine is zesty, full-bodied and focused, with a good core of fruit, fine soil undertow, bouncy acids and good focus and balance on the complex finish. Good juice. 2026-2040.
